Above class will be taught on IUPUI schedule from August 22nd through December 19th, 2011.
Above class will include three live, online meetings (via Adobe Connect) but most of the content and activities will be facilitated asynchronously via web-based tools including Oncourse and social networking software. The live meetings, which will take place at the beginning, midterm and end of the semester, are mandatory. In order to have optimum results with Adobe Connect (formerly known as Breeze Meeting) and with the special online activities for this course, each student will need: (a) Regular access to a computer with high speed internet connection or cable to use Adobe Connect including a built-in or attached webcam; (b) Speakers to hear guest speakers or presentations; (c) Microphone headset (Logitech will offer the best sound - go to http://www.logitech.com/); (d) Either Internet Explorer 7 or higher or Mozilla Firefox 2 or higher as well as Adobe Flash Professional Player 9 (go to http://www.adobe.com/products/flash/about/ to download Adobe Flash Player); and(e) Information for participants about Adobe Connect can be found at: http://www.indiana.edu/~breeze/participant.html.
