Above class designed to help you prepare for upper-level					
Biology courses. Therefore, class time is used for					
collaborative, active, and inquiry-based activities meant to					
deepen your understanding of course topics and to provide					
practice in disciplinary thinking (e.g., visualizing					
biological processes, making predictions, drawing conclusions					
from data, and reading and analyzing scientific					
publications). Because students learn and retain information					
best when they are actively engaged during class, the					
structure of this course is flipped relative to that of a					
traditional classroom. There will be one, highly					
interactive, required class meeting per week. Before each					
class, you will view recorded lectures, read, and do					
textbook-related online activities. Your studies will be					
guided by a weekly question bank, and you will have					
opportunities to review assigned questions and other material					
with other students and with instructors before each week's					
two-hour, in-class session. Our weekly two-hour sessions					
will include whole-class discussions and smaller learning					
group activities. Three times during the semester, the					
in-class session will be used for exams.

CHEM-C 117 PRINC OF CHEM & BIOCHEM I (3 CR)

C117 : For departmental consent send request to chempreg@indiana.edu
Students considering a chemistry or biochemistry major are strongly encouraged to enroll in this section. The smaller class size will allow more student-instructor interaction through in-class discussion, writing activities, individual feedback, and short answer problem sets and exams. Note that this is not an honors section (honors version of the course is S117); the curriculum and textbook are the same as for other C117 sections.

35884 PERM 09:30A-12:15P T ED 2261 Park Rogers M

This class will begin the week prior to the official start of

classes for the Fall semester. In addition to attending this

class once a week, participants will also be expected to

observe 6 weeks of the associated undergraduate elementary

methods courses (E 343 and E 328) and 2 weeks of the M 201

field experience. These observations will begin the 2nd week

of classes and will end around IU's fall break. There are

five sections of each class available to choose from each

week. Some of these observation hours will count towards

class contact time so the final meeting day for this class

will be adjusted. Further information regarding the modified

class schedule will be shared in the syllabus the first day

of class.

For science education doctoral students this course can count

towards one of the two methods courses required for your

program of studies.

F 450 : Students in the above class should be aware that a flexible schedule is required when scheduling coachings with their faculty coach. Students must attend the Chamber Music course meeting held in the first week of classes to find out important information regarding group sign-up and placement auditions. Time and location of the meetings will be announced to enrolled students and will be posted on the chamber music website at [HTTP://TINYURL.COM/NQWQRQM](http://TINYURL.COM/NQWQRQM). All members of the group must be enrolled in MUS-F450 or F550, unless making up an incomplete. Students must obtain the permission and signature of a faculty coach for their group and receive seven coachings, performing at least once in a public setting. Groups that are unable to find a chamber coach will be assigned to a faculty member by the Head of Chamber Music. Visit the above chamber music website for further details on guidelines and required paperwork or email chmusic@indiana.edu with questions.

Choral assignments for the entire school year are based on auditions held the week before classes in the fall semester. If you did not audition at that time, you must audition on the first day of classes in the spring semester. Please schedule an audition through Canvas; see link on Choral Department website. If you auditioned in August, you do not need to re-audition in January
 For a complete list of choral ensembles, rehearsal dates, and times, please refer to the Choral Department website at <http://tinyurl.com/q9w6hxx>. This information is also posted outside MA052. There may not be openings in all ensembles in the spring semester if you did not audition in August
