TOPIC: "Pilgrimage: Walking the Camino de Santiago"

Regular tuition will be charged for this course + an additional program fee & travel expenses. The course will begin in Madrid, Spain immediately after the end of the Spring semester and will last approximately eight days, with travel commencing prior to the course, & after the end of the course. By walking the final 112km of the Camino de Santiago and discussing medieval writing about pilgrimage, students will reflect on the place of medieval ideas, art, and culture in our own world. Participants need to be in good health in order to complete the walking portions of this course, which will require walking up to 16 miles a day over sometimes mountainous terrain. For more information, or to apply to the course, students can see www.go.iu.edu/medievalpilgrimage or contact Prof. Gayk at sgayk@indiana.edu. NOTE: Applications open at the end of September and are due in October. Late applications will be accepted on a rolling basis as space allows.

SPECIAL TOPIC: "On the Road: Pilgrimage and the Art of Travel Writing" This second eight week course surveys travel writing, focusing on the art and literature prompted by journeys on foot, examining writing by medieval pilgrims, romantic wanderers, and modern trekkers. We will explore the hows and the whys of pilgrimage and travel writing by reading about, discussing, and writing about the experiences of pilgrims and other early walkers. Students will have the option to also register for an additional one-credit course (ENG X395) that will take place immediately after the semester ends, during which they will travel to Europe to walk (and write about) the final 112km of the Camino de Santiago. Contact Professor Shannon Gayk (sgayk@indiana.edu) for more information.

Online courses are not easier than residential courses and require just as much time and effort from students. Online participation is required the first week of class. Students may not add the class after Week 1 - no exceptions.
Students must have a computer with a working microphone and webcam. A private location and reliable internet connection with a broadband speed of at least 5 mbps is required for quizzes and exams.

Above class for BUS students only.
Though a faculty member will be engaged as your instructor, online courses require students to be especially conscientious and responsible about completing assignments and staying on track. Online courses are not easier than residential courses and require just as much time and effort from students. Online participation is required the first week of class. Students may not add the class after Week 1 - no exceptions.
Students must have a computer with a working microphone and webcam. A private location and reliable internet connection with a broadband speed of at least 5mbps is required for quizzes and exams.

Choral assignments for the entire school year are based on auditions held the week before classes in the fall semester. If you did not audition at that time, you must audition on the first day of classes in the spring semester. Please schedule an audition through the Choral Office, dvillanu@indiana.edu. See link on Choral Department website for audition details. If you auditioned in August, you do not need to re-audition in January

For a complete list of choral ensembles, rehearsal dates, and times, please refer to the Choral Department website at http://tinyurl.com/q9w6hkx. This information is also posted outside MA051. There may not be openings in all ensembles in the spring semester if you did not audition in August
