We apologize for any delays that impacted your registration process. Rates are currently $24.95 for eTexts this coming term. That means you will NOT need to purchase materials on your own. The charge for the required materials will soon be posted as a Course Fee of $39.00 to your Bursar account and then added into your first bill for the term. The materials will be waiting for you before the first day of class in the Canvas class site. Your instructor will have more details about accessing the materials soon. Ideally, we would have preferred to have this notice posted in the Schedule of Classes and registration system, but some delays were beyond our control. Again, our apologies for this late notice. If you have any questions, please contact us at: ehouswor@indiana.edu (Professor Elizabeth Hausworth).

Above class is for BUS students only

Students must have a computer with a working microphone and webcam. A private location and reliable internet connection with broadband speed of at least 5mbps is required for quizzes and exams. Though a faculty member will be engaged as your instructor, online courses require students to be especially conscientious and responsible about completing assignments and staying on track. Online courses are not easier than residential courses and require just as much time and effort from students. Online participation is required the first week of class. Students may not add the class after the first day of the semester - NO EXCEPTIONS.
