Above class designed to help you prepare for upper-level Biology courses. Therefore, class time is used for collaborative, active, and inquiry-based activities meant to deepen your understanding of course topics and to provide practice in disciplinary thinking (e.g., visualizing biological processes, making predictions, drawing conclusions from data, and reading and analyzing scientific publications). Because students learn and retain information best when they are actively engaged during class, the structure of this course is flipped relative to that of a traditional classroom. There will be two, highly interactive, required class meetings per week. Before each class, you will view recorded lectures, participate on Canvas discussion board, read textbook and complete textbook-related online activities. Your out-of-class studies will be guided by video outlines and/or question banks. Our weekly three-hour sessions will include individual quizzes, team-based quizzes, team-based activities, and whole-class discussions. Above class meets online and on campus
Above class meets 100% Online with a combination of Synchronous and Asynchronous instruction. For more information visit

VT: DISPUTE RESOLUTION - IRELAND

7433 NS2 ARR ARR WB WEB Branham G

TOPIC: Cross-Cultural Conflict and Dispute Resolution in Ireland

Above class is part of the Study Abroad Program - SPEA in Ireland

Above class meets June 14 - June 25

Above class meets with SPEA-V 482

This is an O'Neill International course adapted to be offered in an online format. Students should be able to attend synchronous morning classes with guest lecturers from Ireland between 8am-12pm M-F for the two weeks of the course. Daily faculty lectures will be from 5:30-7:30pm M-F; these will be recorded as well and available for view asynchronously if students schedules don t permit them to attend live. All course content except the morning guest lectures will be asynchronous. Email oio@indiana.edu with any questions. Above class meets 100% Online through Asynchronous instruction. For more information visit
