To maximize learning, Workshop participants immerse themselves in Chinese language and culture; living, working, and eating with fellow students and faculty on the Chinese floor of the residence hall and by signing an immersion contract to speak only Chinese for the duration of the program. You will be challenged, perhaps more than you anticipate, but those students who adhere to the pledge and maintain immersion make measurably more progress in Chinese than students who do not. Online placement exam required before enrollment for all students (including IU students).

This hybrid course is designed for online instruction, but students spending the summer in Bloomington, Indiana, may attend in person. Regardless of modality, this intensive language course emphasizes interpersonal communicative skills. It features several hours a day of live work with the instructor and with fellow students, plus independent study, homework, and co-curricular activities. On-campus housing is available for in-person students.

The above section is for students NOT staying in Bloomington, in for the summer
