Above class meets 100% Online through Asynchronous instruction. For more information visit https://covid.iu.edu/learning-modes/index.html
IUB GenEd N&M credit - Natural Science

BIOC-L 114 INTRO TO BIOSCIENCE LAB (4 CR)
5002 6W1 01:45P-03:45P TF WB WEB Whitworth K L 112 : P - High school or college chemistry, for biological and other science majors. Credit given for only one of the following: BIO-L 112, BIO-H 111, BIO-L 100, BIO-L 104, BIO-L 112, BIO-Q 201
Above class is designed to help you prepare for upper-level Biology courses. Therefore, class time is used for collaborative, active, and inquiry-based activities meant to deepen your understanding of course topics and to provide practice in disciplinary thinking (e.g., visualizing biological processes, making predictions, drawing conclusions from data, and reading and analyzing scientific publications). Because students learn and retain information best when they are actively engaged during class, the structure of this class is flipped relative to that of a traditional classroom. There will be two, highly interactive, required class meetings per week. Before each class, you will view recorded lectures, participate on Canvas discussion board, read textbook and complete textbook-related online activities. Your out-of-class studies will be guided by video outlines and/or question banks. Our three-weekly sessions will include individual quizzes, team-based quizzes, team-based activities, and whole-class discussions.

Above class meets online and on campus.
Above class meets 100% Online with a combination of Synchronous and Asynchronous instruction. For more information visit [https://covid.iu.edu/learning-modes/index.html](https://covid.iu.edu/learning-modes/index.html)

Above class open to undergraduates only
Above class meets May 31-June 28
Above class meets with MELC-A 500
Above class requires permission of Department
To maximize learning, Workshop participants immerse themselves in Arabic language and culture; living, working, and eating with fellow students and faculty on the Arabic floor of the residence hall and by signing an immersion contract to speak only Arabic for the duration of the program. You will be challenged, perhaps more than you anticipate, but those students who adhere to the pledge and maintain immersion make measurably more progress in Arabic than students who do not. Immerse yourself in Arabic this summer and see how much you can do!
For more information on this course, please contact the Summer Language Workshop at http://languageworkshop.indiana.edu

Above class meets with MELC-A 550
Above class requires permission of Department
To maximize learning, Workshop participants immerse themselves in Arabic language and culture; living, working, and eating with fellow students and faculty on the Arabic floor of the residence hall and by signing an immersion contract to speak only Arabic for the duration of the program. You will be challenged, perhaps more than you anticipate, but those students who adhere to the pledge and maintain immersion make measurably more progress in Arabic than students who do not. Immerse yourself in Arabic this summer and see how much you can do!

In this course, students will begin to explore the personal, institutional, political, and cultural forces that impact the lived experience of being a professional teacher
Key questions include: How does self-knowledge help teachers positively shape their professional lives? How does school culture shape the day-to-day life of teachers and how do you identify a school culture that is right for you? How does the current emphasis on standardized testing impact the life of a teacher and how can teachers positively respond to this? What does it mean to create an educational environment where students feel safe? For authorization or more information, please contact curric.indiana.edu

Course Topic: Maternal and Child Safety Issues in the Workplace and Community
This class requires a Dist Ed Learning Ctr Fee/SPH. Current rates are available at http://go.iu.edu/BLfees
This course is part of the Maternal and Child Health Fellowship Program. The Maternal and Child Health (MCH) Fellowship program in the Department of Applied Health Science aims to promote graduate MCH training by supporting students who wish to pursue a career in maternal and child health. Fellows receive a $1,000 award as partial tuition for an MCH course. To qualify for a Summer 2022 Fellowship, applicants must: Be a graduate student at Indiana University. Take one MCH course during the summer. Join and participate in the Maternal and Child Health Club.
Submit a personal statement describing career goals and how participation in the MCH program will help you attain them.

Transforming Our Communities Our communities face significant challenges in areas ranging from economic justice, climate threats, public-safety and threats to democracy. Faculty from several disciplines in the O'Neill School will address these challenges and present innovative and evidence-based solutions that can make a difference. Course will be both synchronous and asynchronous with sessions recorded for later viewing. Weekly assignments will be due. Non-O'Neill students, please contact Debbie Koliba at dakoliba@iu.edu for enrollment options.
This is a 100% online class taught by IUPUI. No on-campus class meetings are required. A distance education fee will apply; check your campus bursar website for more information. Textbook purchases may be made through your home campus bookstore. This class is offered as part of a collaborative academic program. Please consult with your advisor to ensure this class will count toward your degree requirements.
